From Rotary International

Rotary selects more than 400 university students to study abroad *in 2011-12*

Four students from Lawrence University [Appleton] have been selected as District 6220 Ambassadorial Scholars in the past two Rotary years

One of the world's largest privately sponsored international scholarship programs focuses on humanitarian service, personal diplomacy, and academic excellence.

More than 400 university students from 40 countries were selected to study abroad as Rotary Ambassadorial Scholars during the 2011-12 academic year.

Rotary Ambassadorial Scholarships provide undergraduate and graduate students the opportunity to study at universities in the 200 countries and geographical areas where Rotary clubs are active. While abroad, scholars participate in community service projects and speak at local Rotary club meetings and conferences, schools, civic organizations, and other forums where they serve as "goodwill ambassadors" for their home countries.

In 2010-11 nearly 500 scholars from some 50 countries studied in more than 60 nations, at a program cost of approximately US \$12.5 million. Top U.S. universities sending Rotary Scholars abroad for the 2011-12 academic year include: United States Military Academy (eight scholars); Chapman University (four scholars); United States Naval Academy (four scholars); University of Pittsburgh (four scholars); Vanderbilt University (four scholars)

- Three Lawrence University students *were* awarded Rotary Foundation Ambassadorial Scholarships for the 2010-11 academic year.

- Sarah Ehlinger has just been awarded a scholarship beginning Fall 2011. As a 2011-12 Rotary Scholar, Ehlinger, a junior from Wauwatosa, will head to the University of Ghana in the capital city of Accra. While her interests include environmental hazards and human health, she is still deciding where to focus her studies

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?
- 2 - Is it FAIR to all concerned?
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 - Will it be BENEFICIAL to all concerned?
