# Rotary News & Views

-- Of the Club and Otherwise

## **G**uests and Rotarian Visitors

- Visiting Rotarian - Roger Bullis, Oriental, NC and formerly StePt member & PHF
- RYE – Diego getting ready for Hawaii excursion
- New Members in waiting
  - David McHone, VP, Tvl Guard-Chartis [Jim Anderson]
  - Doug Ballweg, CPA, VP Fin/CFO, Delta Dental [Tom Bertz]
- Guests
  - Phillip Lach, H&S Protective Services [Pres Jim]

## **A**nnouncements

- Roger Bullis rubbed it in just a tad noting that his club in almost nowhere North Carolina, 60 mostly retired, shorts-wearing seashiders, gave out \$19,500 in scholarships and \$30,000 in total last year – some fund raising group, isn't it. But then that big fishing tournament they have brings in the dough!
- **NEED PROGRAMS FOR APRIL 20, JUNE 1, 8, 15 & 22]**
- Place of Peace March 24<sup>th</sup>, forgot Sharon Jakusz who stepped in for Cheryl Breit at the last moment. We're ready to do it again next quarter or so when there is a blank slot.
- **Membership drive extended to April 6 because of the snow cancellation. Speaking of snow – will try to work with Senator Kohl for a reschedule.**
- Summer RYE – our first applicant is Soren Anderson, Amherst HS; Soren is a Junior Olympics Cross Country competitor and really enjoys Spanish, reading and pre-calculus, and [naturally] skiing. Candidates must be 15-18 yrs old; spend a month overseas and share your home for a month with your RYE sister/brother when you return - applications to John Bergin by February 28<sup>th</sup>.
- RYLA – our club will sponsor 4 for the fall's week-end program, Oct 14-16. If you have any candidates let Brenda Diamond know. We do have one candidate.
- 24<sup>th</sup> Annual Rose Sale 2011 will be Sweetest Weekend, Oct 13-15. The coordinating team will be working on a website for credit card/PayPal ordering.
- Esteli [José Murillo] –The entire school project has been funded by District, our club, the Esteli club and individual Rotarian contributions through the Community Foundation. To wrap up the project José will have details on individual contributions through the Community Foundation to complete the guard's family home on the compound.
- 50-50 Raffle – Guest and prospective member Doug Ballweg, Delta Dental, had the winning ticket, donated to Polio Plus but missed the Joker for the big prize.

Member Minute and Presenter – Terry Arnold needed no intro but followed up with his presentation on China, answered many, many questions on his observations of their development as a world economic and political power. Copies of Terry's slides have been distributed – if you missed them let Dick Judy know and he'll resend. Key in his comments were:

- The economic center of the world is shifting rapidly to China, India and that eastern area. In the area there are minerals, oil, people, more freedoms and the

fuel for economic growth including bastions of higher education. Even the prior oppressions of Soviet Union and China are relaxing or non-existent.

- One issue is the conflict between ethnic Chinese and Caucasians with the proximity of China and the Caucasus regions of Russia from which most Western Europe and Western Hemisphere peoples came.
- There were a ton of questions for Terry, answered in his inimitable diplomatic style. Feel free to catch him for more.

## **H**appy Dollars

After a week off because of the snow cancellations there were lots of Happy Dollars.

- José Murillo – happy that the Estelí grade school project is wrapping up so successfully.
- \$3 – Bob Stack did three makeups in SC, noting that the Surfside club showed up in suits and ties – what a bummer.
- Roger Bullis followed that his club in NC is a 'shorts' group, or did he say short?? Roger and Pat are looking for a home in the Madison area and hope to move back to the area soon.
- Randy Zietlow an early dollar for the expected new addition to the family on Monday – and he did arrive on time!!
- Sharon Stratton had a great time in Hawaii w/the family; no tsunami problems; and arrived home in time to help at the very successful Place of Peace serving, coordinated so ably by Julie Mouw and Diego!!
- Tom Bertz – great guest/propective member from Delta Dental, Doug Ballweg.
- Mary Williams – appreciated the great article in the Gazette about husband Bob and his continuing battle with the resurgence of polio w/aging; and really looking forward to their 61<sup>st</sup> wedding anniversary three week celebration in tropical St. Martens. She will be giving her \$1 per wedded year to the RI Foundation upon return if there is any money left.
- DPG Dick for all the trouble Julie Mouw and the Harmony staff went to only to be cancelled for snow.
- Then Ann Huntoon has to rub it in with announcing they only had 16" of snow in Tomahawk that day.
- JD Manville announced a state-wide stamp collector gathering at the Holiday Inn this last weekend. Stamps from around the world and even a rare 'upside down one' – probably the airpost stamp of the '30's. By the way, JD is a 'philatelist' – not as bad as it sounds – a 'study of stamps'.
- \$2 big bucks José Murillo, first for the Estelí project and another for his wife who is 'herding' 13 junior high kids to Costa Rica – notice that José doesn't say anything about going?
- Jack Porter had nothing but praise for Ellis Stone and the completion of the new ROTC facilities adjacent to the Health Enhancement Center at UWSP. Eric has been leading the move and they have already has their first classes in the new facility.

I suspect Jack is just a tad envious after all the years in more dungeon-like quarters. Eric – when’s the tour?

- Brad Corbett appreciated the two weeks in warm St. Petersburg; his wife tried to stay but came back anyway – ha!
- \$5 from a most happy President Jim – after all the waits, interviews and disappointments, has landed running with a new full-time job at H&S Security with the title of Senior Sales Consultant – way to go Jim.

## **The 4-Way Test**

Adopted by RI in 1943

**Of the things we think, say or do ---**

- 1 - Is it the TRUTH?
- 2 - Is it FAIR to all concerned?
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 - Will it be BENEFICIAL to all concerned?
