nnouncements

- This being *Rotarian* magazine month - *The Rotarian* magazine has launched a new digital copy www.therotarianmagazine.com which is free for the looking. Most of you already receive the print copy which has all the ads, little columns of facts, which this digital version does not replace, but the digital copy may have more complementing multimedia to enhance the article.
- Our Inbound RYEs are taking a break in Hawaii April 8-16. They have transport to Milwaukee airport but need to be picked about 4:45 p.m. April 16 and brought back to StePt [east side McDonalds]. Need a volunteer-contact John Bergin for details.
- **SOUTHEAST ASIA REGION DECLARED POLIO-FREE** – The GPEI [Global Polio Eradication Initiative] has formally congratulated countries in South-East Region of World Health Organization [WHO] on being certified polio-free, another historic milestone. The 11 countries in the region – Bangladesh, Bhutan, Democratic People’s Republic of Korea, India, Indonesia, Maldives, Myanmar, Nepal, Sri Lanka, Thailand and Timor Leste – are home to 1.8 billion people and represent fourth of six WHO regions of the globe to become polio-free. India, one deemed the most difficult place to end polio, recorded its last case on January 13th, 2011. A number of the countries in this WHO region have been free for more than 15 years.

- Nicaragua suitcase – a brief report on April 23rd – reports are goodies well received.
- Place of Peace – next meal will be May 15th [more details as time approaches].

- President Elect Dave Marten looking for 2014-15 officer volunteers – before he has to put pressure on. Cliff King has stepped forward as President Nominee [2015-16] and good rumor has Patti Cahill taking Membership then maybe PN after Cliff.
- Summer RYE Exchange – Scholarship to help has been established. MacKenzie Schulist, our guest last week, will be the summer outbound but her country has not been determined. MacKenzie lives on an organic farm and has been active in FFA and 4H.
- Fall RYE –our fall inbound RYE will be a young lady from near Tokyo, Japan. Her name is Kashio Nakajima – she just turned 17 on February 20th. She has one older sister in college. Her two host families will be the Selwyns again and the MacKenzie Schulist family. Jen has talked with her and she is really excited to come, though I suspect the cold and snow were not a big part of the brief conversation.

- Rotary Minute – John Baehr introduced to community service in Mt. Vernon, IL and has taken to heart a recommendation that ‘life is not a spectator sport’ so he got involved when invited to join by Jim Anderson.
- Raffle –Cliff King, lunch \$ Post Polio; no joker. Mary Williams still hasn’t heard what she won when she recently pulled the Joker for the second time this year,

Program: Chef C -- Christian’s Bistro and Father Fats

- Great demonstration of grilled chicken rancheros with the fresh ingredients then a he made thesame for all attendees.
- He has had a wonderful set of experiences with great chef Emeril including starting setting up and running some of his restaurants. Emeril Lagasse is an American celebrity chef, restaurateur, television personality, and cookbook author. Experiences ranged from New Orleans, Atlanta, Las Vegas and many other venues.
- Check out website for history - <http://www.christiansbistro.com/> and www.fatherfats.com/
- We quickly learned that fresh is the secret ingredient, but there is no question that his working with Emeril really enhanced his training at the Culinary Intitule of America.
- He and Leah have brought their talents and three girls to her home area Portage County ain’t we lucky!

Happy Dollars – catching up for a couple of weeks.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4 - Will it be BENEFICIAL to all concerned?**
