A

nnouncements

- **Highway cleanup** – this Wednesday August 31 – Ardie will meet you at near the Elizabeth Inn, 54 & I-39, about 4:30/5 p.m. Should take about an hour for our part of the highway with a nice sized crowd. Ardie will have the Rotary Reflective Vests, plastic bags, you are suggested to have gloves, sturdy boots and one of those ‘grabbers’ is a great back saver.
- **Wrapping up** – this Wednesday is the last day of the Membership/Extension Month drive – win the \$50 PCBC Gift Certificate
- **Blood Drive** – Red Cross @ Community First Bank Sep 13th – mark your calendar.
- **GREEN CIRCLE** – volunteers needed for the week of September 11 and that should wrap up the year; contact Cheryl Breit.
- **RYE Inbound** – **Utku Kurtaran, Izmir, Turkey** still looking for a 2nd host family. The Brandls have volunteered to be the first host; John Bergin needs a second host for next semester.
- Nick Inman’s wife had emergency surgery, recovering at home.
- **50-50 Raffle** – Ann Huntoon won but missed the big pot of nearly \$500!!!!

Presenter New UWSP Athletic Director gave us a great look at UWSP athletics and potentials for the future of our outstanding programs. A summary of his comments were in the forwarding email.

H

appy Dollars

- **Terry Arnold** has taken to collecting Happy Dollars – he sure is doing a great job. He started the Happy Dollars with a \$1 ‘just on principle’.
- **Brad Corbett** thinks that Ardie arranged the date for the highway cleanup with his secretary to make sure Brad would be available.
- **\$2 Jim Anderson**
 - Hope you got a chance to dine at Noodles when they contributed to Justice Works.
 - The United Way Duathlon was great success – more participants this year.
- **\$2 José**
 - Sixteen blood donors for Sep 13th at Community First Bank and a couple who’ve promised – got a rare or highly needed blood type you are really needed. Three are Rotarians.
 - Sign-in Sheets – don’t forget or José may get even smarter and start charging the non-signers like Mark Barnes used to do [hint, hint José]!!

- **Eric Beuerman rubbed it in** – after a summer at ROTC summer camp at Joint Base Lewis-McCord he just had to go to Bermuda – white sands, those beaches, great drinks and got home ahead of the hurricane. Eric also did a nifty makeup – the club was all Brits; there is one club in Bermuda that is ‘men only’ – yes, they still exist. Actually, there are clubs in many parts of the world that are men or women only.
- **\$2 Ann Huntoon**
 - Two weeks of wonderful vacation.
 - First kid of four graduated and has a job with benefits – way to go!!
- **Tom Bertz**
 - Nine year old granddaughter participated in her first triathlon in Madison and finished.
 - Took UWSP BB coach Bob Semling to a Bo Ryan outing at UW Madison.
- **Steve Cywinski** - his mom and dad celebrated 50th Anniversary.
- **Jack Porter** – always pleased when the speaker shows up, this time thanks also to Todd Kuckkahn who had also arranged for AD Montgomery and then picked him up to make sure he got to the meeting.
- **\$5 Bernie Patterson**
 - Neat week with his daughter just before she gets married – way to go Dad.
 - A special kudo for the greatest Athletic Director in the state, but of course he is Bernie’s only AD!
- **\$5 Daron Montgomery** - our speaker kicked in a five to match the Chancellor
 - The free lunch
 - All of Chancellor Patterson’s complements.
 - He reminded us that UWSP has 20 sports, 500 student-athletes; great women sports; and he so pleased that his family [two little girls] will get to share our D-III sports.
 - Invited everyone for one of the only four home FB games – with Spud Bowl leading the way on Sep 10th.

Future Programs –

- When you have a program please let PDG Dick Judy know so it can be entered in the schedule.
- If you need a projector and screen call the SPCC in advance.

The End in Sight ---

Polio eradication within reach

Cases of type 3 polio have dropped significantly this year, a sign that we’re close to ridding the world of the disease. Although the GPEI Independent Monitoring Board recently raised some concerns, it also noted signs of progress.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4 - Will it be BENEFICIAL to all concerned?**
