Presenter: Doug Schneider, Pastor of Outreach Ministries, Woodlands Church.

- 20 years in the ministry has taken him and family virtually around the world.
- 3 kids, graduated from Eastern IL Un then traveled to exotic places like Poland, Mexico, Costa Rica, and Africa especially Uganda, one of the headwaters of the Nile.
- Unfortunately much of the area is in 'DENile' – with the waters feeding Lake Victoria and then flowing backwards or north to the Mediterranean
- Woodlands supports medical missions: India, Uganda, Columbia and Peru; our guest Karlene left on the Peru mission last weekend and hopefully .
- The orphan rate is so high in Uganda and a lot of Africa, either no parent or one ineffective parent.
- While visiting one of the headwaters of the Nile Doug saw a sign erected by a Rotary Club with Herb Taylor's 4-Way-Test prominently displayed [just by accident while trying to film monkeys. The test does get around].

ROTARY INTERNATIONAL NOTES AND NEWS

Some fun facts

Did you know that Rotary founder Paul Harris wasn't the first president of a Rotary club?

That distinction is actually held by Harris's friend Silvester Schiele, who served as the first president of the Rotary Club of Chicago. Harris deferred his club leadership duties until February 1907, when he was elected the third president of the Chicago club.

In honor of Rotary Awareness Month in January, here's a collection of facts and firsts to expand your knowledge of Rotary. Get the new year off to a good start by sharing a few of these at your next club meeting:

Club firsts

On 23 February 1905, Paul P. Harris, Gustavus Loehr, Silvester Schiele, and Hiram E. Shorey gathered in Chicago for what would become known as the first Rotary club meeting. A second club was formed in San Francisco in 1908, and soon after, clubs began to pop up across North America.

On 1 August 1912, the Rotary Club of London became the first club chartered outside of North America. The Rotary Club of Dublin, Ireland, had been organized earlier, but didn't receive its charter until 1 May 1913.

Presidential firsts

Paul Harris was elected as first president of the National Association of Rotary Clubs (which later became Rotary International) in 1910, and is the only president to have served two terms. Other firsts: Canadian E. Leslie Pidgeon (1917-18) was the first Rotary president from outside the United States, Sydney W. Pascall (1931-32) was the first from Great Britain, and Maurice Duperrey (1937-38) was the first from continental Europe. Learn more about past Rotary presidents.

Foundation firsts

In 1929, The Rotary Foundation gave its first gift, US\$500, to the International Society for Crippled Children (later Easter Seals), which was founded in 1921 by Rotarian Edgar F. Allen, of the Rotary Club of Elyria, Ohio, USA. Read more about Allen and Easter Seals.

Paul Harris Fellow recognition was established in 1957 to show appreciation for contributions, and to encourage substantial ones, to what was then the Foundation's only program: Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships. Today, the recognition acknowledges individuals who contribute, or who have contributions made in their name, \$1,000 to The Rotary Foundation. Learn more about donor recognition.

Convention facts

Edinburgh, Scotland, hosted the first convention outside North America in June 1921.

Rotary's first convention in Asia was held in Tokyo in 1961. Among the record-setting 23,366 paid and unpaid registrants was the emperor of Japan.

The largest convention to date, based on the number of paid registrants, was the Rotary centennial convention, held in Chicago in 2005.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?
- 2 - Is it FAIR to all concerned?
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 - Will it be BENEFICIAL to all concerned?
