- **José Murillo** always on the prowl for makeups and those last couple of photos for the data base.
- **50-50 Raffle** – not recorded.

Presenter: Dr. John Krawowski, DDS, Wausau Noon Rotary

- More than 9,000 dentists practice neuro-dental dentistry.
- Teeth support airway structure.
- Correct bite is more than cosmetic.
- How to stop grinding using body's own mechanisms is most important. When you engineer dentistry correctly results last longer. Diet plays a significant role dental health. So is airway issue.
- Muscle action can be measured by EMG and track position of the jaw.
- Tooth restoration opens the airway.
- The airway is #1 for good patient health.
- Sleep apnea is a serious condition. By study of the anatomy of the teeth and manufacture of appliance to correct bite problem, or corrective dental work, airway issues can be resolved.

Happy Dollars

- **Dick Judy** – since I was out of town last week special thanks to:
 - Ann Huntoon for note taking
 - Shelly Martin for printing and delivery of the bulletin and speaker certificates from DigiCopy.

- Granddaughter's 15th birthday party in Annapolis [*Quinceañera Hispanic 15th*] went off without a hitch – she sends a special thanks to LeRoy Heiser and the other Rotary she and her sister and brothers have met over the years. The drive out and back went well, got back Monday afternoon after 1008 miles in two days – great weather and beat the snow today.
- Many special dollars in memory of Frances Bertz, Tom's wife, who passed away suddenly February 12th
- RYE Utku is teaching Kathy Brandl, his RYE mom host, Turkish – and it's going well. He also enjoyed a visit to the Iola Aquatic Center last week.
- Todd Kuckkahn – Marshfield Clinic fundraiser will be March 1st.
- New member Keith Williams thanks for the beautiful day.
- Jim Owens – Valentine dollar for his wife and Bowl for Kids this weekend.
- Pres. Rick – trip to Scott's Bluff, ND went well especially to visit the new GD.
- PE Terry Arnold – gave first dollar to get the ball rolling – and it worked as usual.

ROTARY INTERNATIONAL NOTES AND NEWS

India prepares for Polio Summit 2012

In the wake of India achieving one year without a case of polio, the Indian Ministry of Health and Family Welfare, in partnership with Rotary International, is organizing Polio Summit 2012. It will be held 25-26 February in New Delhi.

The summit is aimed at sustaining the country's momentum toward eradicating polio by increasing awareness of the disease, securing strong support from governments and other partners, and promoting routine immunization. The meeting also will create a platform for government and health officials to develop a strategy for ending the disease in the three other countries where it is endemic -- Afghanistan, Nigeria, and Pakistan -- and throughout the world.

More than 1,000 government leaders, health officials, and Rotarians from India and neighboring countries, along with representatives from Rotary International, the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and the Bill & Melinda Gates Foundation, are expected to attend the event.

"The Polio Summit will help greatly in continuing advocacy with political, bureaucratic, and religious, as well as corporate and social, leaders and other organizations," says RI President Kalyan Banerjee.

Before the summit, on 19 February, more than 200 Rotarians from several countries participated with their Indian counterparts in the country's National Immunization Day. About half of the visiting Rotarians also plan to attend the Polio Summit.

Afterward, on 27 February, the annual National PolioPlus Orientation and Planning Meeting for RI governors-elect and district PolioPlus chairs will be held in New Delhi, hosted by the India PolioPlus Committee.

"India is tantalizingly close to eradicating polio," says Past RI President Rajendra K. Saboo, chair of the summit. "Rotary International has committed to be the torchbearer until India and the world become polio-free."

Ghulam Nabi Azad, India's minister of health and family welfare, credited Rotary with helping his country near the goal of polio eradication when he spoke at RI World Headquarters in Evanston, Illinois, USA, in September. He cited "not only the mobilization of funds, but the active participation of Rotarians in the field," and said, "My country has benefited greatly from your support, and I thank all of you".

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?
- 2 - Is it FAIR to all concerned?
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 - Will it be BENEFICIAL to all concerned?
