WHY SHOULD WE BE DENIED -- New email scams target Rotarians

Several Rotarians have recently reported receiving a fraudulent email sent out in the name of a senior Rotary leader, a trustee of The Rotary Foundation, seeking money. The email scam claims that the individual is stuck at an airport with **lost luggage and needs the cash to get home**. Please be aware this email is a scam.

Other recent scams include:

- An email scam with the subject line "Award Winning Notification Final" has targeted Rotarians claiming that they are one of 21 winners of a promotional program held on 1 January 2012 by the Rotary Foundation. The fake promotion says winners will receive US\$1 million cash payment.
- An email scam targeting Rotarians and ROTARACTors claims the recipient has won hundreds of thousands of Euros through an international promotional program conducted by the "Euro-Millions Lottery". Attached to the e-mail is a PDF letter signed by "Luis Alberto, Vice President" with a photo of Past RI President Carl-Wilhelm Stenhammar.
- An email scam with the subject line "Dear Award Beneficiary!!!" has targeted Rotarians claiming the recipient has won US\$500,000 and two HP laptops from RI.

RI encourages Rotarians and Rotary clubs to avoid becoming victims of such scams by deleting any email that appears suspicious.

Changes you should know about for the new Rotary year

[Rotary International](#) on Facebook - A new Rotary year is set to begin, and with it several programs aimed at helping clubs and districts enhance their projects, share information, and increase membership. In addition, a new group of leaders will take over at the club, district, and international levels.

- Sakuji Tanaka, of the Rotary Club of Yashio, Japan, will become Rotary's 102nd president on 1 July and will encourage Rotarians to foster *Peace Through Service*. Read a [profile of Tanaka](#) from *The Rotarian* and download his [convention speech](#).
- Wilfrid J. Wilkinson, of the Rotary Club of Trenton, Ontario, Canada, will take over as Rotary Foundation trustee chair. Read [his biography](#) and download his [convention speech](#).

Other changes include the following:

- Beginning 1 July, The Rotary Foundation and the Water and Sanitation Rotarian Action Group will work together to offer resources and consulting services on major water and sanitation projects to several districts through a one-year pilot called the project enhancement process. These optional services will enable grant sponsors to tap into the technical expertise of their fellow Rotarians who are professionals in the field. To learn more, read these [FAQs](#).
- In order to focus goal setting at the club and district levels on membership activities, the RI Board has set a membership goal of 1.3 million Rotarians by 30 June 2015. The Board has also approved regional membership plans that were created by committees of Rotary leaders led by the directors in each region. Each plan addresses the region's unique needs and customs. Districts and clubs are encouraged to use the regional membership plans as a guide in developing goals and strategies that are realistic and achievable and take into consideration historical trends and the opportunities within each region.
- RI will be launching Rotary Club Central in an effort to measure the organization's global impact. The new online tool allows clubs to set and track service, membership, and Foundation contribution goals.
- Through [Rotary Showcase](#), Rotarians can share photos of and information about their clubs' service projects with the Rotary community and their Facebook friends. By indicating funds spent and hours volunteered, clubs and districts will also be helping track Rotary's global impact.
- A new convention website launches later this month, providing the latest news, travel tips, registration, housing information, and more on Rotary's largest annual gathering. Register now for the 2013 RI Convention in Lisbon, Portugal, 23-26 June. The [End Polio Now website](#) will also be redesigned to include infographics, social media campaigns, status reports, and maps.
- RI will hold three [Rotary Global Peace Forums](#) in 2012-13, each consisting of a two- or three-day program to engage and inspire Rotarians and community leaders. The forums will take place 30 November to 2 December in Berlin, Germany; 25-27 January in Honolulu, Hawaii, USA; and 17-18 May in Hiroshima, Japan.
- The [Council on Legislation](#) will meet in April in Chicago to discuss and enact changes to the RI Constitution, RI Bylaws, and the Standard Rotary Club Constitution. The council meets every three years to review resolutions submitted by clubs, district conferences, the General Council and Conference of Rotary International in Great Britain and Ireland, and the RI Board. The Council comprises more than 500 representatives from every part of the Rotary world.
- As the Future Vision pilot enters its final year, Rotary clubs and districts will start preparing for Rotary's [new grant model](#), which launches 1 July 2013.
- The [RI Board of Directors](#) will seat eight new directors 1 July, along with RI President-elect Ron D. Burton, of the Rotary Club of Norman, Oklahoma, USA.
- The [Rotary Foundation Board of Trustees](#) will seat five new trustees.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?
- 2 - Is it FAIR to all concerned?
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 - Will it be BENEFICIAL to all concerned?
