Presenter – Writer, reporter Bill Berry - the 'Voices of Rural Wisconsin' project of the Wisconsin Academy of Sciences, Arts and Letters.

- Sara Raikowski, Raikowski Farms, Junction City, was one of the Voices reported in the four part series in the quarterly publication in the Wisconsin Academy.
- The study looked at the future of farming and rural life in Wisconsin, which is changing dramatically – a copy of his presentation is attached to the email distributing this bulletin.
- Of eleven ag categories, Wisconsin ranks 1 or 2 in the US – cheese, cranberries, butter, milk, oats and of all things – MINK; and no real surprise, #3 in potatoes. But check the complete list.
- But the future is tough: average age of the Wisconsin farmer is 53; 50 percent of principal operators are 55 or older; there is continued stress on “ag in the middle” as larger and small farms grow; absentee landownership; rural communities stressed by aging populations and community drivers such as schools, libraries, etc.
- Check out the many slides Bill presented are attached to the email.

Happy Dollars

- **Cliff King** kicked off the good day with word on that granddaughter, born on time Friday the 24th, seven pounds, fifteen plus ounces, named Natalie. On a sad note, his mother-in-law passed away earlier in the week.
- **Presenter Bill Berry** – Nick would have been much better looking but we suffer in silence.
- **Tom Bertz** celebrated ‘Business on the Green’, a PCBC fund raiser and great time, matching up with Bob Semling, UWSP Head BB coach, and two others to take a 2nd place in the scramble.
- **Bob Stack** reported that the community and library will begin the summer with ‘Reading First! Activities this summer start with *Jennifer Murdley’s Toad* by Bruce Coville and Karma Wilson’s *Aminal Strike at the Zoo* as the summer offerings. There will be a lot of ancillary actives including a Tom Pease Concert and June Dairy Days at the Skinner Farm. Watch the paper or check on line at www.library.uwsp.edu.
- **Ardie Lange** thrilled that SPASH is one game closer to State. This has been a great year for SPASH, Pacelli and our rural schools.
- **Brad Corbett** got his son graduated and headed out to Lakeland after all the honors won this year. Then there is the Canada trip and even Iowa later on.
- **Rick Jansing** gave a special congrats to Cliff King on the new addition to the family.
- **Steve Cywinski** traveling soccer youth teams are really improving.
- **And, Jose’s** son is a goal keeper for the team, lost one on a penalty shot and won the 2nd.
- **Cheryl Breit** thrilled with Anna’s graduation from Pacelli, she finished her HS days with four trips to State track and to the podium all four times; she also graduated as Salutatorian – great accomplishment for out former Summer RYE Outbound to France.
- **Julie Mouw** said SPASH graduation was a winner, and out Inbound RYE Diego hosted a great after-graduation party for four friends – it has been a wonderful year for Diego and the Mouw’s will greatly miss him this coming year.

Rotary General Secretary – about to change

When John Hewko takes office on 1 July, **he will be the 12th person** to serve as Rotary’s general secretary. The first was Chesley Reynolds Perry, a Spanish-American War veteran and former Chicago Public Library employee. In August 1910, the newly formed National Association of Rotary Clubs unanimously selected Perry for the role, then known as secretary. He accepted the part-time position at \$100 per month, with an agreement that the amount of time he would devote would remain unspecified.

By 1912, the job had evolved into a full-time executive role, and the Board of Directors agreed to increase Perry’s salary. His office on LaSalle Street in Chicago served as the first headquarters of the National

Association. In 1911, Rotary established an office in the First National Bank Building at Dearborn and Monroe streets. The headquarters would move five more times during Perry's term -- always into rented facilities.

Perry served in the position longer than any of his successors. He also served as editor and business manager of *The Rotarian* from 1911 to 1928, and he opened Rotary's first international office, in Zurich, in February 1925. During his final year in office in 1941-42, the position's title was changed to general secretary. In 1940, when Perry announced his plans to retire, he agreed to remain in his post while the organization trained his replacement, Philip C. Lovejoy. A number of clubs sought to nominate Perry for RI president in 1942-43, but he declined, saying, "I am gratefully conscious of the high compliment thereby being paid to me."

After retiring, Perry remained a member of the Rotary Club of Chicago, and served as its president in 1944-45. In 1954, Rotary offered him the title "secretary emeritus" to honor his years of service, but he again declined, preferring the role of ordinary Rotarian. Perry died on 21 February 1960 at the age of 87.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4 - Will it be BENEFICIAL to all concerned?**
