From Rotary International –

World Polio was last week – but the challenge remains and is more complicated than we are led to believe.

- **Polio UPDATE Daily** - <http://www.polioeradication.org/Home.aspx>
- **Polio Report as of Wednesday 26 October 2011**
 - A new web site on social data for polio eradication was launched this week by UNICEF: www.polioinfo.org. Polio eradication efforts rely heavily on a range of

social data that help shed light on, among other things, the reasons some communities are refusing to vaccinate their children with oral polio vaccine (OPV). The web site, which will be fully integrated with www.polioeradication.org, aims to support and strengthen communication efforts in all the polio priority countries by making this critical social data easier to access.

- In Pakistan, 14 new cases are reported in the past week - it is the highest number of new cases reported in a single week ever. See 'Pakistan' section below for more information. Western China and India very concerned.
- In Nigeria, polio has spread more widely in the past two months than at any time over the last two years.

Wild Poliovirus [WPV] Cases

| Countries | Year-to-date 2011 | | | Year-to-date 2010 | | | Total in 2010* | Date of most recent case |
|----------------------------|-------------------|------|-------|-------------------|------|-------|----------------|--------------------------|
| | WPV1 | WPV3 | Total | WPV1 | WPV3 | Total | | |
| Total | 428 | 61 | 489 | 674 | 73 | 747 | 1349 | |
| Total in endemic countries | 206 | 11 | 217 | 107 | 56 | 163 | 232 | |
| Total outbreak | 222 | 50 | 272 | 567 | 17 | 584 | 1117 | |

Look at the Y-T-D total for this year and last – we’re making progress but the world’s economic situation and series of ‘conflicts’ in the Mideast and other parts of the world are complicating the eradication. Of course mobility and technology are compounding factors.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4 - Will it be BENEFICIAL to all concerned?**
