### Presenters:

#### Paul Tikalsky, new Executive at SAMOSET BSA

- Founded in 1920, Samoset Council currently serves 6,300 youth in north-central Wisconsin. The Council provides the necessary support services to ensure success of our six districts and the units they support. Furthermore, the council provides year-round camping programs, youth and adult training opportunities and a council service center.
- Paul and his wife just moved to Samoset from the Snake River Council, northern Utah. They are the parents of six, all four of the boys are Eagle Scouts.
- Samoset this year was rated the #3 council in the US regardless of size and demographics.

- The Crystal Lake Scout Reservation which includes Tesomas Scout Camp [that's Samoset spelled backwards by the way], Akela's World Cub Camp, and the unique Hanna High Adventure Base, are renowned throughout the US.

Laura Martens, Fund Development Manager – Central Region, and Rachel Swedberg, Community Development Manager, Central Region, Girl Scouts Northwestern Great Lakes.

- GSNWGL was formed about five years ago with the merger of six councils. In partnership with over 6,000 adult volunteers, GSNWGL serves nearly 20,000 girls in 58 counties in northern Wisconsin and Michigan's Upper Peninsula.
- GSNWGL's jurisdiction spans about 400 miles from east to west and about 300 miles from north to south. Members have access to 6 camp properties, 4 service centers, and 1 business office. Bordered by three of the Great Lakes - Huron, Michigan and Superior - the resort areas of Door County, Isle Royale National Park and Mackinac Island are in our jurisdiction.
- Girl Scouts is the world's preeminent leadership development organization for girls, building girls of courage, confidence, and character, who make the world a better place

## **H**appy Dollars

- Visiting prospect Attorney Gary Dreier, First Law Group, gave a brief summary of his recent visit to Kenya and Uganda where Rotarians are facilitating installation of outside cisterns in very very arid area; they are also working on cisterns to catch thousands of liters of water in the areas away from villages; water is in desperate short supply for drinking, normal other uses as well as irrigation. And, he also visited one of the world largest orphanages. Sounds like a great program for the club in the near future.
- \$3 PDG Dick Judy – complements to the winning tennis matches of our inbound RYE Zoë and to the opportunities for youth through the BSA and GSA.
- Tom Stafford certainly happy that their son and a friend survived a 17 hours ordeal while waiting for help after the friend who had suffered a bad injury.
- Cheryl Breit – daughter Anna, a former summer RYE, just transferred from Carroll University to UWSP where she is out for the CC team, finishing 3<sup>rd</sup> in the first competition among the UWSP team members.
- \$2 Guest Gary Dreier
  - Wonderful Rotarians in Kenya and Uganda working to provide water supplies to arid villages and remote areas.
  - Still remembers his own BSA trip to the High Adventure Canoe Base at the Boundary Waters.
- \$5 Keith Williams – Kennedy School received a national blue ribbon for their accomplishments; and other dollars for all the similar well deserving youth activities.
- \$3 Jack Porter
  - Granddaughter from Minnesota firmly entrenched as a freshman at UWSP. He did note that Al Thompson was notably absent during her move in. Fellow Rotarian Chancellor Bernie Patterson, like Al, though did help a lot of the students with their moves. Of course Bernie will long be remembered for his 'lighting of the new cupola on Old Main', a stunt for the gathering of UWSP and Community leaders for Founders Day – it's funny and really worth the watching <http://www.youtube.com/watch?v=k7zWqkRG8g> though

this begs the question of his skill with electricity, but not with his good nature and ability to take a ribbing.

- Jack says thank goodness the granddaughter has a modern dorm and not ‘the barracks’ that for so many of us was our first military experience, and even later in our careers.
- Jack still remembers his first days at the US Military Academy, instead of walking around with a tour guide like his granddaughter, the plebs were ‘double timed’ around the West Point campus with a quick ‘eyes right or left’ as a leader yelled out what to look at – yes Jack, college has changed.
- **\$2 Cliff King** – he and his wife apparently haven’t yet tired of granddaughter watching, but time will tell.
- **Gary Thompson** likes Cliff’s willingness to baby sit.
- **José** was a Scout in Costa Rica, but had a great story about a rattle snake that generated a lifelong respect for the articulated things.
- **\$5 PE Ann Huntoon**
  - Hopes many would make it to ‘Buzz Around Town’ benefit at Sentry last weekend.
  - Her pet is recovering but it was close.
  - Ann was elected to BOD of Wisconsin Arts Council – way to go Ann.
- **\$2 IPP Rick Jansing** – thanks for **Deb [of Bev’s Floral]** and **Cliff King** for kicking off the Rose Sale in his absence
- **\$20 Sandy Retzki**
  - Her 14 year association with Boy Scouts – a very active volunteer.
  - Her 2 Eagle Scout sons.
  - All the Rotarian activities with both Boy and Girls Scouts

### **Science magazine** spotlights polio eradication, Rotary’s role

The 3 August issue of Science magazine features two articles on polio eradication – “The Polio Emergency” and “Fighting Polio in Pakistan” – and includes several references to Rotary’s role. The full articles are available online to subscribers only or by purchase.

“Fighting Polio in Pakistan” describes how Rotary conducted an immunization survey of 7,000 children in an area of Karachi, found that four had been missed, then ensured they were vaccinated. Rotary also joined with UNICEF and Coca-Cola Beverages Pakistan to conduct a massive cleanup of the area, hauling away about 160 tons of garbage. Rotary is trying to “give the message that we are there not just for polio but for everything else,” says Aziz Memon, chair of Pakistan’s National PolioPlus Committee.

Adopted by RI in 1943

**Of the things we think, say or do ---**

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
