Announcements

- Special thanks to Randy Zietlow for taking notes since PDG Dick was at a BSA conference in Grand Rapids, MI. Interesting that Randy 'got' José to type them up and forward to Dick for the bulletin. Guess that's sharing of the workload?
- José Murillo made an unabashed sales pitch for Community First 'green checking/banking' t-shirts – he was unfazed by the 'unwritten rule' of no sales pitches w/o penalty, he did it anyway. This week he should pay up!
- District Assembly, Saturday October 29, Green Bay, 9-2:30; car pooling recommended.
- Rose Sale Update – Money coming in. The Rose Sale Yellow t-shirts are here and ready for pickup.
- 50-50 Raffle – Sharon Stratton, lunch money to Polio Plus; no joker, five cards left plus joker for \$525+.

Presenter Terry Arnold provided a cryptic update on polio eradication worldwide. Rotary and all our partners are certainly making progress but there are some hinderances to full eradication.

- 23+/- countries have sporadic polio although only 4 are considered having endemic polio.
- The problem is classification – Endemic – cases and sources local; re-established – cured but reinfected; imported – victim came in to the country from another [this is the majority of cases even for the U.S.]. Real problem is the mobility of the world's population.
- Rotary's program founded in 1985 and has been immensely successful although the last few locations are so hard.
- Slow down of immunizations may lead to too frequent reoccurrences.
- Ultimately Rotary expects to have contributed \$1.2 billion to the eradication program
- If you didn't get Terry's Power Point just ask – it is great information – thanks Terry for all the research.

Happy Dollars

- Terry Arnold – where’s the cool and dry fall weather?
- \$2 José Murillo – Troy [someone] ‘making it’ in an Ironman Competition, still on his feet after 13 grueling hours of running, swimming and biking.
- \$10 Ann Huntoon for showing up at a Board Meeting the day there wasn’t one scheduled. Now that is dedication [or a lousy calendar attention].
- \$2 Sharon Stratton getting to the Packer opening game
- Bernie Patterson in remembrance of the dedication and contributions of retired Emeritus VC Helen Godfrey.
- Jack Porter added his accolades for Helen’s contributions.
- \$2 Brad Corbett for UWEC and his son whipping St. John’s in football.

Future Programs -

- When you have a program please let PDG Dick Judy know so it can be entered in the schedule.

From Rotary International - Celebrating New Generations Month

Every year, thousands of talented and dedicated young people, ages 12-30, have an incredible experience in a New Generations program.

- As ROTARACTORS and INTERACTORS, they serve in communities at home and abroad.
- Through Rotary Youth Exchange [RYE] *they explore new cultures as part of summer or full year exchanges.*
- And as Rotary Youth Leadership Awards [RYLA] participants, they learn skills that will help them succeed as future community leaders.

New Generations is Rotary's fifth [and newest] Avenue of Service enhancing the classic Avenues of Club, Vocational, Community and International.

THE TRADITIONAL FOUR AVENUES OF SERVICE is frequently used in Rotary literature and information. The "Avenues" refer to the four elements of the Object of Rotary: Club Service, Vocational Service, Community Service and International Service. Although the Avenues of Service are not found in any formal part of the constitutional documents of Rotary, the concept has been accepted as a means to describe the primary areas of Rotary activity.

- "**Club Service**" involves all of the activities necessary for Rotarians to perform to make their club function successfully. This includes the Secretary, Treasurer, Sergeant, Membership Development, Club Bulletin, Public Relations.
- "**Vocational Service**" is a description of the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other members of the club. It also includes programs such as Pride of Workmanship, Shine On Awards, Vocational Talks, Vocational visits to work places, Peer Support Program, Awards Nights.
- "**Community Service**" pertains to those activities which Rotarians undertake to improve the quality of life in their community. It frequently involves assistance to youth, the aged, handicapped and others who look to Rotary as a source of hope for a better life. Programs include; liaising with other community groups, Australian Rotary Health program, Bowelscan, Drought Relief and Bushfire Recovery, Environmental Water Management, Road Trauma campaign, Walking Tall.
- "**International Service**", describes the many programs and activities which Rotarians undertake.

The 4-Way Test

Adopted by RI in 1943

Of the things we think, say or do ---

- 1 - Is it the TRUTH?**
- 2 - Is it FAIR to all concerned?**
- 3 - Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4 - Will it be BENEFICIAL to all concerned?**
